Your dues payment is valid during this time period. Please promptly return your remittance to ensure that you receive your maximum membership benefits.

ASCLS MEMBERSHIP CATEGORIES

Professional: \$108 to join (\$96 to renew) plus state dues (see state schedule) Open to all persons certified or engaged in the practice and/or education process of clinical laboratory science, including those with an active interest in supporting the purposes and goals of this society. Includes basic benefits plus the award-winning journal, Clinical Laboratory Science. International members must join in this member category.

Collaborative: \$72 to join (\$60 to renew) Open to any individual with an interest in supporting the goals of ASCLS and a desire to stay in touch with the laboratory community. Collaborative membership is **NOT eligible** for member discounts for live ASCLS national events and does **NOT count** towards continuous professional membership in the society which is used for eligibility of emeritus membership status. Collaborative members cannot hold office or vote in ASCLS elections.

First Year Professional: \$60 (\$48 to renew) plus state dues (see state schedule) Open to persons who have graduated within the last 12 months from an accredited program in laboratory science. Prior student membership with ASCLS is not a prerequisite. This membership status is valid for up to five years of continuous membership. After completing five years, members are upgraded to Professional membership.

Student: \$24 plus state dues (see state schedule) Open to persons enrolled in a structured program of training or academic instruction in clinical laboratory science, or to full-time graduate students in a related science area.

**Persons residing outside the United States are not eligible for these categories. International practitioners must join as Professional I.*

CONTINUING EDUCATION PACKAGES

Certification Maintenance 12 Hour option (CM12): One-year subscription for 12 hours of P.A.C.E.®-approved online continuing education through ASCLS and MediaLab. Includes all designated discipline hours required for the Board of Certification's Certification Maintenance Program. Learn more at www.ascls.org/cmm. *\$45 plus national and state dues*

NEW FOR 2018: SUSTAINING MEMBERSHIP STATUS

Sustaining Members are entitled to additional benefits that visibly recognize sustaining membership status and provide minor amenities. No benefit shall impact voting, holding office and serving in any formal capacity for the Society. Sustaining Membership is a status. It is not a class or type of membership.

OPTIONAL CONTRIBUTIONS

ASCLS/PAC: Political action committee that promotes the interests of clinical laboratory science among federal lawmakers through campaign contributions to a carefully selected number of candidates who have been sensitive to the needs of the clinical laboratory profession. ASCLS/PAC is supported solely by voluntary donations from ASCLS members. Donations cannot be listed as charitable contributions for tax purposes.

Education & Research Fund: Provides awards, grants and scholarships to support clinical laboratory professionals representing all aspects of the field. Donations to this Fund can be listed as charitable contributions for tax purposes

Special Projects: Funds projects such as "A Life Saved" and a career recruitment video, participation in the CDC Patient Safety initiative, meetings of the International Federation of Biomedical Laboratory Science, and collaboration efforts with our partners in laboratory medicine and science.

Diversity Advocacy Council: Provides scholarships and funds efforts to encourage and enhance diversity in the medical laboratory profession.
