

ASCLS is excited to announce the recipients of the **ASCLS Voices Under 40 Spotlight**, a recognition of our many, talented and committed young professionals under 40 years old. The ASCLS Voices Under 40 Spotlight has been developed to honor ASCLS members who have shown exceptional commitment to ASCLS, the laboratory profession, and their community at large at a young age in their professional careers.

The candidates were selected based on involvement in professional, legislative, and civic arenas. Applications, nomination letters and personal statements were scored and ranked by a group of their peers. They were selected for 2017 and will be showcased throughout the 2017-18 ASCLS Membership year.
