

GOVERNOR JOSH SHAPIRO

April 14, 2024

Greetings:

It is my pleasure to join with Pennsylvania's medical laboratory professionals to recognize April 14-20, 2024, as Medical Laboratory Professionals Week.

Medical laboratory professionals are undoubtedly critical members of our healthcare system. Medical Laboratory Professionals Week acknowledges the accomplishments of these individuals and their dedication to ensuring the best patient care by performing and interpreting vital lab results. As we reflect on the contributions of our medical laboratory professionals, take a moment to appreciate their hard-work and loyalty to our communities. The COVID-19 pandemic tested us in unfathomable ways, and we cannot forget Pennsylvania's medical laboratory professionals for their service and commitment to their fellow Pennsylvanians during that tough time. I am certain these inspiring professionals will continue to serve the medical community with dedication for years to come.

On behalf of all Pennsylvanians, I am honored to recognize your dedication to our Commonwealth. Please accept my best wishes for continued success.

GIVEN under my hand and the Seal of the Governor, at the City of Harrisburg, this fourteenth day of April two thousand twenty-four, the year of the Commonwealth the two hundred forty-eighth.

Governor Josh Shapiro
