

CLINICAL LABORATORY EDUCATORS FORUM
AMERICAN SOCIETY FOR CLINICAL LABORATORY SCIENCE

MEDICAL LABORATORY EDUCATION DIRECTORY OF ONLINE GRADUATE PROGRAMS

Introduction

The Clinical Laboratory Educators Forum (CLEF) of ASCLS maintains directories for prospective students who are considering online programs in one of the following four categories:

- Graduate programs in Clinical Laboratory Science
- Medical Laboratory Science (MLS)
- MLT to MLS matriculation programs
- Medical Laboratory Technician (MLT)

It is possible that this is not a “comprehensive” listing of online programs. The online directories are updated twice a year.

Table of Contents

Graduate Programs

George Washington University.....	3
Idaho State University.....	3
Michigan State University.....	3
Northeastern State University	4
Philadelphia College of Osteopathic Medicine (PCOM).....	4
Rush University.....	4
Rutgers – School of Health Professions.....	4
Thomas Jefferson University	5
University of Cincinnati.....	5
University of Kansas	5
University of Missouri	6
University of North Carolina at Chapel Hill.....	6
University of North Dakota School of Medicine and Health Sciences.....	6
The University of Southern Mississippi.....	6
University of Texas Medical Branch	7
The University of Texas Rio Grande Valley.....	7

George Washington University

Type of Degree Program: Numerous online, graduate degree programs are available:

MSHS in Medical Laboratory Sciences
MSHS in Molecular Diagnostic Sciences
MSHS in Clinical Microbiology
MSHS in Translational Microbiology
MSHS in Clinical and Translational Microbiology
MSHS in Immunohematology and Biotechnology

Is “on-campus” time required for this program? Some graduate programs include a required practicum, which may be completed at approved sites.

Program Web Address: <http://smhs.gwu.edu/medical-laboratory-sciences/>

Can the online courses be used for retraining or as a refresher course? Yes

Idaho State University

Type of degree program: MLS Graduate Program

Is “on-campus” time required for this program? Varies

Program Web address: <https://coursecat.isu.edu/previouscatalogs/2022-23/graduate/college-of-health/medicallaboratoryscience/msmedlabscience/>

Can the online courses be used for retraining or as a refresher course? Yes.

Michigan State University

Type of degree program: Master of Science (MS) in Clinical Laboratory Science, Master of Science in Biomedical Laboratory Operations, Master of Arts (MA) in Biomedical Laboratory Science

Is “on-campus” time required for this program? No

Program Web address: <https://bld.migrate.natsci.msu.edu/academics/online-graduate-degrees/index.aspx>

Can the online courses be used for retraining or as a refresher course? N/A

Northeastern State University

Type of degree program: Master of Science (MS) in Medical Laboratory Science

Is “on-campus” time required for this program? No

Program Web address:

https://academics.nsuok.edu/healthprofessions/DegreePrograms/Undergraduate/MedicalLaboratoryScience.aspx?_ga=2.200399662.1899690829.1727185893-2063057614.1710436537

Can the online courses be used for retraining or as a refresher course? Yes

Philadelphia College of Osteopathic Medicine (PCOM)

Type of degree program: Master of Science (MS) in Medical Laboratory Science

Is “on-campus” time required for this program? Yes

Program Web address: <https://www.pcom.edu/academics/programs-and-degrees/laboratory-science/>

Can the online courses be used for retraining or as a refresher course? Yes

Rush University

Type of degree program: Master of Science in Clinical Laboratory Management (Two-year Program)

Is “on-campus” time required for this program? No

Program Web address: www.rushu.rush.edu/cls/

Can the online courses be used for retraining or as a refresher course? Yes.

Rutgers – School of Health Professions

Type of degree program: Master of Science in Clinical Laboratory Science (MS-CLS)

Is “on-campus” time required for this program? No

Program Web address: <https://shp.rutgers.edu/clinical-lab-and-imaging-sciences/master-of-science-clinical-lab-science/>

Can the online courses be used for retraining or as a refresher course? No.

Thomas Jefferson University

Type of degree program: Master of Science in Clinical Laboratory Science (MS-CLS)

Is “on-campus” time required for this program? Graduate Certificate in Clinical Microbiology
Graduate Certificate in Clinical Hematology
Graduate Certificate in Clinical Chemistry
Graduate Certificate in Immunohematology
Graduate Certificate in Molecular Biology

Program Web address: <https://www.jefferson.edu/academics/colleges-schools-institutes/health-professions/departments-programs/medical-laboratory-biotechnology/degrees-programs.html>

Can the online courses be used for retraining or as a refresher course? Yes.

University of Cincinnati

Type of degree program: Master of Medical Laboratory Science Leadership
Multiple Degree Tracks Available

- Advanced Practice Molecular Microbiology/Immunology
- Advanced Practice Cell Therapy and Immunohematology
- Higher Education- Teaching and Learning, Educational Leadership and Medical Education
- Health Administration and Management

Is “on-campus” time required for this program? No

Program Web address: <https://online.uc.edu/masters-programs/masters-medical-laboratory-science-leadership/>

Retaining or Refresher Course Options: No

University of Kansas

Type of degree program: Doctorate in Clinical Laboratory Science (DCLS)

Is “on-campus” time required for this program? Program includes a required practicum, which may be completed at approved sites.

Program Web address: <https://www.kumc.edu/school-of-health-professions/academics/departments/clinical-laboratory-sciences/academics/doctorate-in-cls-program.html>

Retaining or Refresher Course Options: No

University of Missouri

Type of degree program: Master of Health Science in Clinical and Diagnostic Sciences, Clinical Laboratory Science emphasis

Is “on-campus” time required for this program? No

Program Web address: <https://gradschool.missouri.edu/degreecategory/clinical-diagnostic-sciences/>

Can the online courses be used for retraining or as a refresher course? No

University of North Carolina at Chapel Hill

Type of degree program: Master’s in Clinical Laboratory Science – Medical Laboratory Science Track

Is “on-campus” time required for this program? None

Program Web address: <https://www.med.unc.edu/healthsciences/clinical>

Can the online courses be used for retraining or as a refresher course? No

University of North Dakota School of Medicine and Health Sciences

Type of degree program: Masters in Medical Laboratory Science

“On-campus” (face to face) time required for online courses: No

Program Web address: <https://med.und.edu/education-training/medical-laboratory-science/ms-program-overview.html>

Can the online courses be used for retraining or as a refresher course? No

The University of Southern Mississippi

Type of degree program: Master’s Degree Program in Medical Laboratory Science

Is “on-campus” time required for this program? None

Program Web address: <https://online.usm.edu/graduate/medical-laboratory-sciences-ms/>

Can the online courses be used for retraining or as a refresher course? None

University of Texas Medical Branch

Type of degree program: Master of Sciences for Science graduates, Master of Sciences for MLS graduates and Master of Sciences in Transfusion Medicine

Is “on-campus” time required for this program? Individuals who do not hold a MLS undergraduate degree must attend on-campus laboratories. Non-laboratory courses (e.g. management, research, etc.) do not require on-campus time.

Program Web address: <http://shp.utmb.edu/cls/>

Can the online courses be used for retraining or as a refresher course? Yes.

The University of Texas Rio Grande Valley

Type of degree program: Accelerated Master of Science Health Science (MSHS) with a concentration in Clinical Laboratory Sciences (CLS)

Is “on-campus” time required for this program? No

Program Web address: <http://www.utrgv.edu/hbs/graduate-programs/master-of-science-health-science-cls/index.htm>

Can the online courses be used for retraining or as a refresher course? No
